

# *"Carve Your Own"*

Available for Parties  
of all Sizes

When it comes to your Special Celebration, whether with your family, friends, or business associates, here at the Jekyll & Hyde, we can provide you and your guests the opportunity to indulge in our "Carve Your Own" festive offering.

Just simply being served good food is sometimes not quite enough when it comes to your Special Celebration. We want you to participate in the experience by carving at your table, exactly what your guests require, making this feast something that is personal and individual to you.

Our "Carve Your Own" Menu offers a choice of beef, lamb, turkey, pork, etc., prepared to your specific requirements and party size, and then served to you and your guests at your table, ready for you to carve.

Initially, you will select firstly from our choice of starters, then the meat joint that your party wants, your preferred side dishes and sauces, your desserts, and let us do the rest. Of course, if there are any specific dietary needs or allergies that you make us aware of, we can adjust our menu to suit your requirements.

Please do not hesitate to contact us if you have any questions regarding Jekyll & Hyde's "Carve Your Own" offerings, as well as discuss and organise your Special Celebration.
